Voice

MALE VO: There's so much more to an authentic dining experience than just what happens at your table. At Stella's, we extend the same honesty and dedication to satisfaction from your table, to our kitchen, to the community.

Because our table is Lubbock, our table is family, our table has a seat waiting for you.

So join us at Stella's on 50th St. for a dining experience built on Lubbock community values and authentic New York cuisine.

Stella's. Have a seat. You're in good company.
